THE TRAVELLER'S COMPANION; or NEW ITINERARY
of ENGLAND and WALES, with Part of SCOTLAND, arranged
in the manner of Copper-plates; being an accurate and comprehensive
View of the principal Roads in Great Britain, taken from actual Sur-
veys, wherein every Object worthy of Notice is pointed out; to which
are annexed the Circuits of the Judges, the Ports from whence the Go-
vernment Packets sail, and a copious Index, where are particularized
the Market Days of each Town;

By THOMAS PRIDE and PHILLIP LUCKOMBE.

" Though this Itinerary is not without faults, we can say, that upon
" the whole, it is perhaps as correct as such a work can be. We are
" therefore of opinion, that it will be found a useful companion to those
" who travel, either on business or for amusement."

Literary Magazine, Sept. 1789.

" As the Title Page sufficiently displays the Contents of the Book,
" we shall only add, that such Roads as we recollect seem accurately de-
" scribed; whence it is natural to form a favourable Conclusion, with
" respect to the whole."

Monthly Review, Aug. 1789.

" This Traveller's Companion appears to be well adapted to its Title,
" which is not the Case of all Works of that Kind. It not only points
" out every Place on the Road, but furnishes copious Information of
" each Object within a considerable Distance on each Side; a Circum-
" stance in which other Books on the Subject are extremely deficient.
" The Attention paid to this Work, and the Accuracy of its Materials,
" will, in all Probability, meet with the Encouragement of the Public."

European Magazine, June 1789.

" From the Title Page and Part of the Preface, our Readers will
" be sufficiently acquainted with the Nature of the Work, and will have
" reason to believe it accurate; of its great Utility there can be no
" doubt; and we are happy to have it in our Power to announce a Pub-
" lication at once so comprehensive, so useful, and so cheap."

General Magazine, May 1789.

 a week, as very few of the long Coaches, except the Mails, set
 off on Saturday night, or Sunday morning, and none of the
 Waggon's or Carts leave Town on Sunday, except those particu-
 larized in the foregoing pages.

RULES for REGULATION of CARMEN, made by the LORD MAYOR, &c.

NO person shall drive any cart for hire in the city of London or Liberties, without Licence from the Governors of Christ's Hospital; and the owner shall pay the yearly rent of 17s. 4d. for every cart, &c. 20s. on every change or alienation of the property of any such cart, and 3s. 6d. for every licence granted by the said Governors. If any one offend in the premises, he shall forfeit for every offence 40s.

All carts, licensed by the said Governors, shall ply for hire in the places appointed by the court of Lord Mayor and Aldermen, or by the sessions in London.

If any empty cart shall be found standing in any other place of the city or liberties, than those appointed for the standing (unless while loading or unloading); or, if the number of carts in the places appointed, shall be found to exceed the number allowed by the said court of Lord Mayor and Aldermen, &c. the owner shall, for the first offence, forfeit 5s. for the second 10s. and for the third, and every other offence, 20s. And the beadle or constables, or any of the inhabitants of this city, on seeing any carts standing in places not appointed for their stands, or a greater number of carts at any stand than are allowed, may take any such cart, and the horses thereto belonging, or either of them, to the Green-yard, and there have the same impounded and

and kept, until the owner have paid the penalty incurred, and the charges of impounding.

No driver of any cart shall come into Thames-str, by St. Magnus church, eastward, with his empty cart, before he is hired to come into the same street for loading or carrying goods; but the lanes and passages hereafter-mentioned shall be used only for such empty carts to pass through into the said Thames-str, and no other; viz. the lane leading down to Tower-dock, Beer-la, Harp-la, Botolph-la, Pudding-la, St. Michael's-la, Laurence Pountney-la, Bush-la, Trinity-la, and all other lanes westward, except the lanes and passages hereinafter limited for loaded carts to pass through from the said Thames-str; under the penalty of 5s. for the first, and for the second and every other offence, 10s.

All carts loaded, passing out of Thames-str, shall from thence pass through these lanes and places following, or some of them, and no other, viz. the hill leading from Tower-dock to the east end of Tower-str, St. Dunstan's-hill, St. Mary-hill, St. Martin's-la, Dowgate-hill, Garlick-hill, and Bread-str-hill; and no empty cart passing to the said Thames-str (except such as have been unloaded in some of the lanes or places before-mentioned, and have occasion to pass to the said street immediately after unloading) shall go down the hills, lanes, or places last mentioned, but the same shall be kept for the passing of carts laden. And that both empty and loaded carts may pass into and from Thames-str through the following lanes and places; viz. Fish-str-hill, Whittington-lane-hill, and Wardrobe-hill, (except as before). Also all carts loaded may go into the said street down all places as shall be best and most easy for them. Every carman offending in any of the aforesaid particulars, shall forfeit for the first 5s. and for the second and every other offence, 10s.

If a dispute arises about the distance of ground, or the weight of the goods, either party is to apply to the Lord Mayor, or any justice of the peace of the city; and the ground is to be measured, from the place where the cart was loaded, by some person appointed by the Lord Mayor, or any justice to whom application is made. And if a dispute arises about the weight of the goods, the same shall be weighed, if it can conveniently be done, and the party in default pay such expences as are ascertained to be reasonable by the magistrate.

Any person may chuse what cart he pleases to employ (except such as stand for wharf, tackle, and crane work which are to stand in order and be taken in turn). And every carman who stands with his empty cart next to any goods that are to be laden, being first in turn, shall, on the first demand, load the same without any delay, or bargaining for any other pay than is hereby appointed. And if the first, or any other carman, refuse to work, or delay to load, upon request made; every person so offending, shall forfeit 10s. and the driver of the next cart in order shall be at full liberty to take the same; and if any carman shall refuse so to do, he shall pay, for every time he so offends, the sum of 10s. And if any employer refuses to take the

the next cart in order at wharf, tackle, and crane work, he shall forfeit 10s.

All the wharfs between London-bridge and the Temple to be used in turn keeping, as the custom is below Bridge.

The carman who is first in the morning at any of the said wharfs, shall have the first load, he having his horse in the cart and giving attendance for his labour; and if absent, then the other whose turn is next; and whosoever refuseth to load, shall pay for every offence 10s.

No carman shall come to any of the wharfs between the Bridge and Tower-wharf, or to London-bridge, or to any of the streets and lanes within the city and its liberties, before five in the morning, from February to November, and seven in the months of November, December, January and February, unless any person has extraordinary occasion for his coming sooner, under the penalty of 20s.

No owner or driver of any cart for hire in London, &c. shall demand or take, for the carriage of any goods within the distance described by the act, more money than by the following rates is limited. And if any owner, or driver of any cart misbehave himself, or refuse to come when called to be hired, or to take in loading, or utter any abusive language, or offer any insult to his employer, his servants or agents, he shall forfeit, for every offence, 20s.

The driver of every cart shall assist in loading and unloading the goods; and if he refuses, his employers may retain of his fare what any other person shall be reasonably paid for assisting in his stead, and the sum of 2s. 6d. besides, by way of penalty. And, in case of any difference, some justice of peace, within the limits, shall ascertain the sum so to be paid.

Every owner of a cart shall have his name at full length, in large capital letters, not less than three inches long, and broad in proportion, on some conspicuous part of the front of the cart, and shall take care that it always appear plain and legible. And on the alteration of the property of any cart, the new owner is to cause his name to be put thereon. And if any owner omit this, or any one drive for hire a cart in London, &c. without the real owner's name thereon; or if any one wilfully obliterate, or alter the figure or number of any cart, or the name of any carman, painted on his cart, every person, on conviction, shall, for each offence, forfeit 20s.

All carts, during the time of loading and unloading in the streets of the city and liberties, shall stand sideways the long way of the str, and not cross the same, and as close to the side of the str as they can, so as passengers, and coaches, and other carts may pass by in the str, if the str is of sufficient width to allow two carriages to pass together therein (except where the situation of the place, or the package of the goods, makes it necessary to load or strike directly). And if any carman shall stand in any str with his cart, not being loading or unloading goods, every such carman shall draw away immediately at the request of any person, to let such person, or any carriage pass by,

by, if the str will allow thereof, under the penalty of 10s. for every offence.

No person under the age of 16 years shall be employed to drive or manage horses in carts, under the penalty of 20s. to be paid by the owners.

Every cart shall be allowed to contain in length, between the tug-hole and the fore-ear breadth, six feet six inches, and no more; and in breadth, between the two raves in the body of the cart, four feet ten inches of assize, and no more; and in length from the fore-ear breadth to the end of the cart, seven and no more. Any cart of greater length or breadth may be seized and sent to the Green-yard, and the owner forfeit 20s.

If the driver of any cart leaves his cart in the str or common passage in the city, by night, he shall forfeit 5s. besides making recompence to the party who sustains damage, as a justice of the peace shall direct.

If the driver feeds his horses in the str, except with oats out of a bag, or with such hay as he shall hold in his hands, or in a basket, or leaves his cart and horses in the str, without some person to look after them, the owner shall forfeit 5s.

If any carman put into his cart more than two horses (except up hill, or with timber, stone, or other commodities, where the load cannot be divided, or where the load is to be carried out of the city) he shall forfeit for the first offence 10s. for the second 20s. for the third, and every other offence, 30s. and the supernumerary horse shall be detained at the Green-yard, until the penalty and charges of keeping such horse be paid.

No carman shall be allowed to carry in his cart at one time above 25 cwt. of wares that may be divided, or more than one butt, or one pipe, or three hogheads, or two puncheons of any liquor, other than as hereafter mentioned, nor a greater quantity of the under-mentioned articles than as follows, and which quantity shall be accounted a load, upon the penalty of paying for the first 5s. for the second 10s. and for the third, and every other offence, 20s. viz
